

# Energizing Digital Health Innovators to Integrate and Deploy

- **DATE:** October 16, 2017
- **TIME:** 9AM-5PM
- **LOCATION:** Zayed Chevy Chase Conference Center

A symposium that brings Johns Hopkins' very own health tech innovators together in one space to collaborate and impart momentum on fellow innovators in digital health. Happenings for the day include a glimpse into how Johns Hopkins leaders are driving innovation, keynotes from top industry players, panel dialogues, and a product showcase.

{ **RSVP:** <http://bit.ly/2sVw9ON> }

## OBJECTIVES

Demonstrate how Johns Hopkins is leading the field in digital health

Raise awareness of digital health successes

Incorporate digital health into clinical, research, and educational career goals
